### THOUGHT FOR THE DAY

“Some God trains by bringing to them disappointment and apparent failure. It is His purpose that they shall learn to master difficulties. He inspires them with a determination to prove every apparent failure a success. Often men pray and weep because of the perplexities and obstacles that confront them. But if they will hold the beginning of their confidence steadfast unto the end, God will make their way clear, Success will come as they struggle against apparently insurmountable difficulties and with success will come the greatest joy.” *Gospel Workers*, 269.
